Ht. 20 ft. "

78 Cactus

Ht. 15 ft., on old tree trunk

1878 Opuntia

Ht. 4 ft., on rocks; living plant collected. The leaves grow much larger than the ones taken.

1880

Grows 6 ft. in height in marshy places.

81 Vine

Ht. 12 ft., climbing over a small tree.

82

Abundant on upper slopes near head of Rio Limon Epiphyte

83. Shrub

Ht. 10 ft.

84 Cactus

Ht. 10-20 ft., growing as a tree sometimes 5 inches in diameter of trunk. Red flowers.

85 Lycopodium

86 Herb

Abundant on cool slopes, especially near water
